## Jesus is the true POWER & RULER

Colossians 1:16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: **all things were created by him, and for him:**

What kind of obstacles have you run into while ministering deliverance?

QUESTION

Keeps coming back with same issue.

Doing work, not moving forward.

What if it's a spirit?

Frustration

# Hitting a Proverbial Brick Wall & Legal Grounds

Manifestation of the demonic  
with no relief when commanded.

Issues get worse.

No connection to the person.

## TOPIC ONE

Praying with no leading.

No idea where to start.

Keeps coming back with same issue.

You ARE going to run into cases that you have no idea what to do with it, what's wrong, or how to fix it! It's a perfect time to trust the LORD.

O.N.D.

He is in Charge.

What to do when you hit a proverbial brick wall!

1. Pray (Not just minister.)
2. Instead of being overwhelmed at the presence of a wall or resistance, do not focus on it.

What to do when you hit a proverbial brick wall!

- **Why** is it there?
- **What's** its purpose?
- **How** did it get there?
- **Who** needs released from it?

What to do when you hit a proverbial brick wall!

3. Jesus knows about the wall, has power over the wall and you'll need to lean into HIM to address it.

4. He can easily knock it down, but the issue of its presence may need to be addressed.

# Taking Down the Wall!

## Where do we start?

Start with what you know and go where Holy Spirit leads.

## Bricks:

Lies, Bondage, Wounds, Soul Ties, issues with the will, fear, etc. make up the wall. It may come down brick by brick or the Lord may take a wrecking ball to it! (O.N.D.)

If asked, the Lord will  
expose the issue.

We can't just assume there isn't an issue. Ask.

# Addressing the BRICKS!

**Other than open doors, here are some things that may need to be addressed that block healing and freedom:**

- Does the person want to be free. 100% want to be free. (Are they okay with the wall removal? It can be scary.)
- Is there any sin they do not hate?

# Addressing the BRICKS!

- Is the wall a comfort?
- Is the wall acting as a protector against pain or trauma?

# Posture of Letting Go

Whether we are letting God disassemble a wall or addressing a spirit, it can be tempting to hold it in. The whole purpose is let anything go that doesn't belong.

When you see an ambulance, you pull over and make way. When a demon is coming out, you make way and let it out. -paraphrase of Derek Prince.

# Listen to Holy Spirit

1. Show compassion. Don't just go for the jugular of the enemy unless instructed to do so.
2. If you are unproductive, consider what wall is blocking. If you command a spirit and it doesn't budge, go to the legal grounds list.

## Listen to Holy Spirit

3. Consider if they are too tired. Rest is important.

4. If you feel pushed or strangely compelled to go past what Holy Spirit is saying, **RESIST, PRAY, REGROUP.**

# Handling Different ISSUES

<b>Lie</b>	Tear it Down and Replace with TRUTH
<b>Wounds</b>	Forgive. Receive Healing
<b>Occult</b>	Repent. Renounce. Let it go.
<b>Sin</b>	Confess. Repent. Receive Forgiveness.
<b>Unclean Spirit</b>	Remove Legal Grounds & Expel

# Broken Verses Shattered

# Hearing Voices...

What's up with that?

TOPIC TWO

FALSE and HARMFUL Statement.

“Every voice a person hears in their head is the devil.”

— A popular deliverance person who is great at what they do made this statement, and it is harmful for those most in need.

## The Difference in the VOICE

### **Brokenness of a person**

- Relationship oriented
- Uses “I” and “Me”
- Expresses feelings

### **Unclean Spirit**

- Won't be relational
- Directed outward – “You”
- No feelings of conscience

## The Difference in the VOICE

### **Brokenness of a person**

- Responds to kindness
- Behave based upon age
- Gender specific

### **Unclean Spirit**

- Do not change perspective
- Demons are ageless
- Not gender specific
