The PRIDE of LEVIATHAN

livyā_tān

Pronunciation

liv-yaw-thawn'

What's the Difference

Spirit of Jezebel

The architectural blueprint for this spirit comes from Queen Jezebel in the Old Testament (1 Kings) and the false prophetess mentioned in Revelation 2.

What's the Difference

Spirit of Jezebel

How It Operates: This spirit seeks to position itself near authority to usurp it. It uses subtle manipulation, emotional blackmail, flattery, and ungodly soul ties to dominate others. It despises true prophetic authority and works to silence or discourage those who speak God's truth (just as Jezebel hunted Elijah)

What's the Difference

Spirit of Leviathan

Pride and Twisted Communication

The concept of Leviathan is drawn from Job 41, Psalm 74, and Isaiah 27, where it is described as a fierce, multi-headed, armored sea serpent. Job 41:34 explicitly calls him "king over all the children of pride."

What's the Difference

Spirit of Leviathan

How It Operates: Leviathan is a master communication disrupter. It acts like an **invisible filter over people's ears and minds**. You can say something with complete love and purity, but by the time it passes through Leviathan's filter, the listener hears it as an attack, insult, or rejection. It causes severe miscommunication, sudden offenses, and a hardening of the heart that refuses to accept correction or say "I'm sorry."

What's the Difference

Leviathan

The Core Weapon: Pride, spiritual blindness, and the distortion of truth.

Jezebel

The Core Weapon: Control (witchcraft), seduction, and intimidation.

What you need to know to set the captive free.

What's the Difference

Leviathan

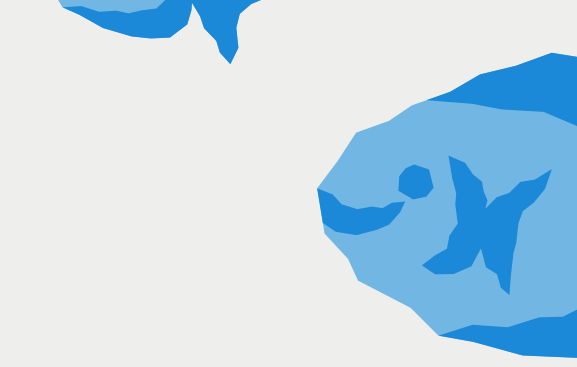

The Target: It targets unity, covenants, and trust. Its impenetrable "scales" represent a rigid, self-righteous attitude that blocks spiritual breakthrough and connection.

Jezebel

The Target: It preys heavily on passivity (the "Ahab" mentality) and thrives in environments where people are afraid of confrontation.

How They Work Together: The Unholy Tag-Team

Step 1: Jezebel Targets and Dictates

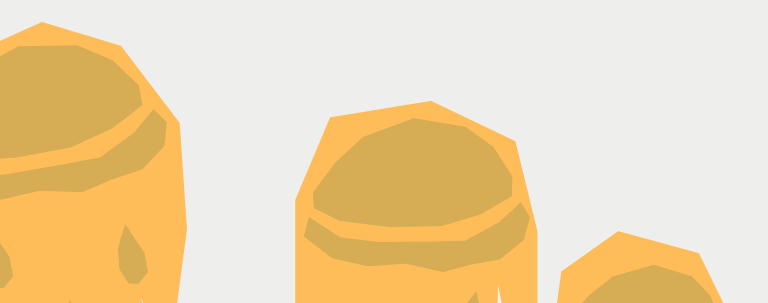

The Jezebel spirit enters a dynamic to control a situation or a person. When it cannot get its way through flattery or charm, it shifts to intimidation or playing the victim to garner sympathy and build an alliance against leadership.

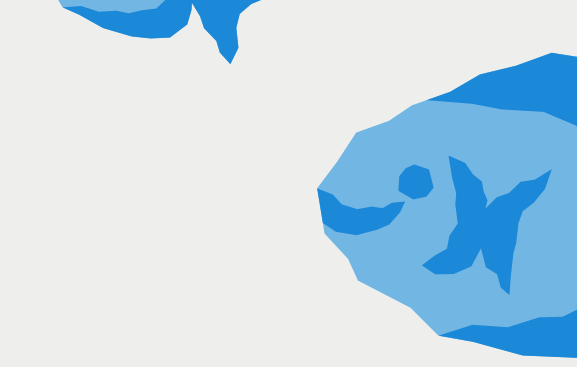

Step 2: Leviathan Protects and Twists

As soon as the manipulation is confronted or exposed, the Leviathan spirit steps in as the "muscle" to protect Jezebel.

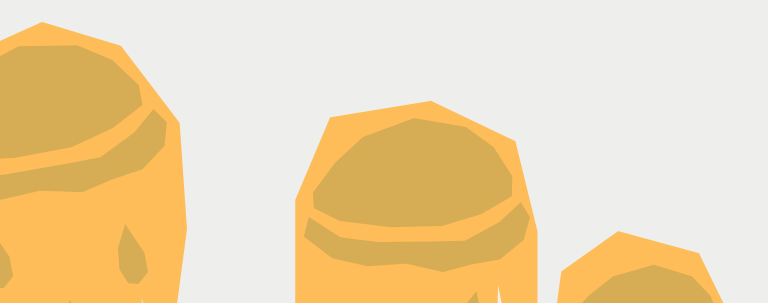

- Leviathan immediately activates pride, making the person operating in the Jezebel spirit completely unteachable and defensive.
 - It then twists the words of whoever is trying to bring correction. Instead of seeing a loving intervention, the person genuinely believes they are being wrongfully attacked, slandered, or abused.
- 

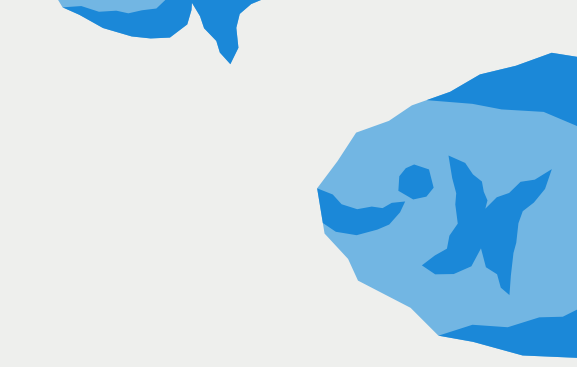

Step 3: The Resulting Smoke Screen

Jezebel creates the initial conflict and division, while Leviathan generates a smoke screen of absolute confusion, miscommunication, and self-righteous offense.

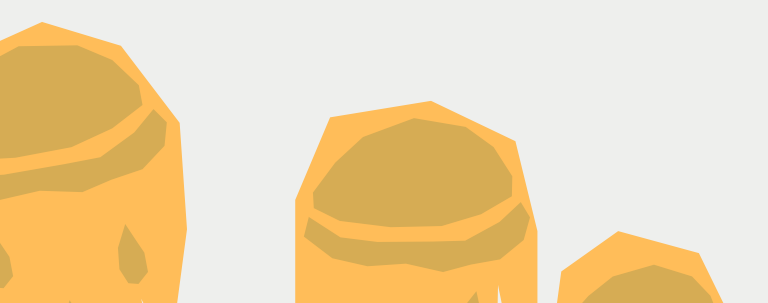

Because words are constantly distorted, resolving the issue through normal conversation becomes almost impossible. This leads to broken covenants, split churches, and fractured families.

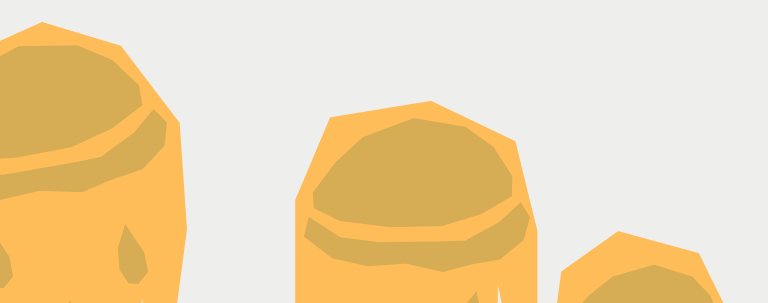

BREAKING THEIR POWER

you cannot defeat these spirits using carnal arguments or intellectual debates. The primary antidotes are genuine humility (which starves Leviathan's pride) and uncompromising truth wrapped in love (which exposes Jezebel's manipulation).

While these are spirits, a person will need to learn how to renew their mind and grow in the fruit of the spirit. If not, the person can begin to operate again in control and confusion.

King over the Sons of Pride
Root Spirits.

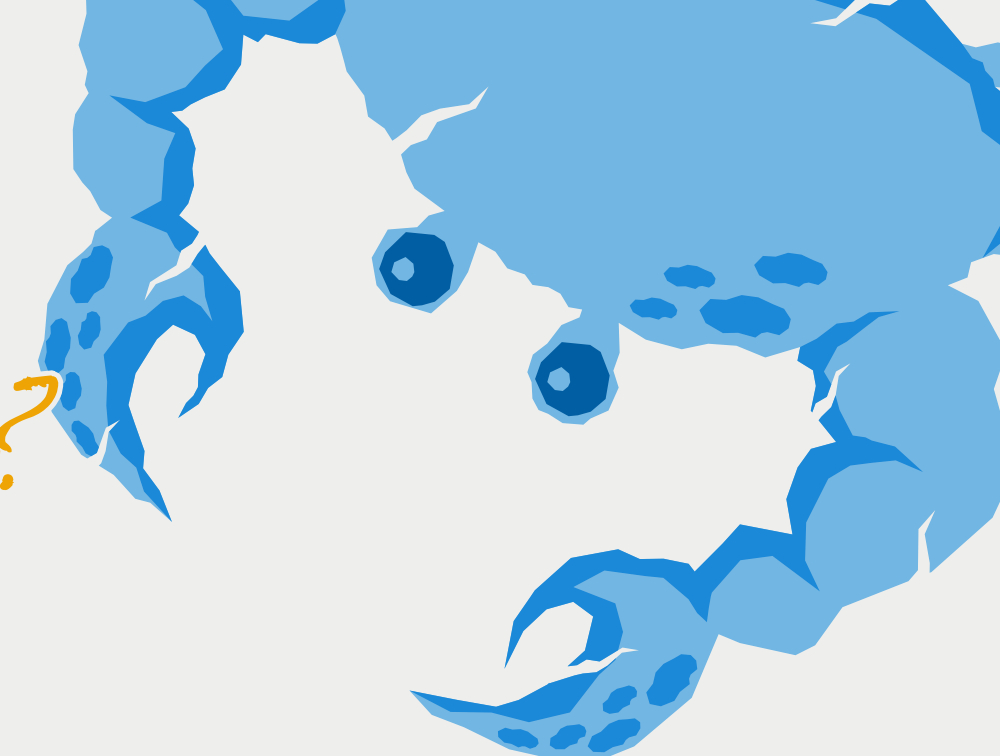

Leviathan is a high level demonic spirit that works to twist communication, create misunderstanding, and damage or break relationship.

Rousing

*Leviathan not only twists words, but words can draw the spirit out.

Job 3:8 may those curse it who curse the day, those who are ready to arouse leviathan.

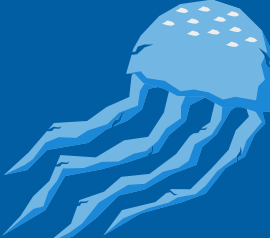

Watch your words. (Murmuring, gossip, complaining, etc.) It responds. It also responds to scripture, its name, etc. The power of life and death really is in the tongue.

Multi-Headed

"You broke the heads of the sea
serpents in the waters. You broke the
heads of Leviathan in pieces."

Psalm 74:13-14

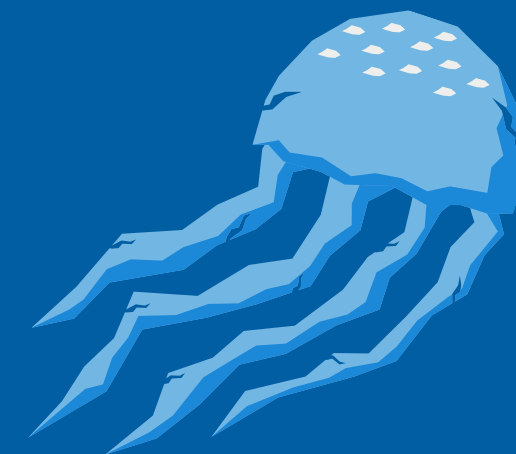

Will be Destroyed

in that day the lord with his severe
sword, great and strong, will punish
leviathan the fleeing serpent,
leviathan that twisted serpent; and he
will slay the reptile that is in the sea.

Keys to Overcoming Leviathan

Humility

“Humility is not thinking less of yourself, it is thinking of yourself less.” –C.S. Lewis

Keys to Overcoming Leviathan

Humility

- 2 Chronicles 7:14

If my people who are called by my name will humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

Keys to Overcoming Leviathan

Humility

Choosing humility connects us to the power and victory of the cross. Jesus did not hold our wrongs against us – Just the opposite. He forgave our wrongs and chose to serve us even when we were maligning Him.*

“The declared Word of God is like an atomic blast in the spirit. When you discover leviathan in your midst, do not rely on your own words or your own ability to untwist its deceptions and manipulations. Turn to God’s truth, there is a scripture for every circumstance and every situation.”
